67 I do not expect there will be more than 100 labour cases a year seeking admission to the New. Maternity after it is constructed. Therefore it is not possible to train more than 2 midwives a year, as the clinical material available will not permit of training more than two midwives a year. They will be given one lecture a day of one hour's duration, and the rest of the time will have to be spent by them in the Maternity proper, in learning practical work.

68 I think the A. V. School is far too large for this purpose; and it is not advisible to spend a large sum of money to alter the A. V. School for locating the Maternity School and Quarters for the midwives—trained as well as under training.

69 The building which was once the Munsiff's Court and which was later occupied by the matron is vacant. It has two halls and about 6 rooms besides out-houses. The matron, Mrs. Curtis has been transferred to Bangalore; and I do not think it necessary to post a Matron of the status and pay of Mrs. Curtis to Chickamagalur. Therefore I am of opinion that this building may be used as Maternity School, and Quarters for the midwives and Head Nurse, who will be entertained after the construction of the New Maternity.

88) Mr. Chandre Gowda called on the Third Member of Council yesterday in order to explain his wishes as regards the utilisation of his donations for the General Hospital and Maternity School, Chickmagalur The Senior Surgeon was also present. The Senior Surgeon pointed out that considering the number of labour cases coming to the Hospital in Chickmagalur, there would be no scope for giving practical training to more than two or three midwives per year. These pupils might be accommodated along with the Matron and some midwives in the existing Matron's quarters. The same building could be utilised for giving lessons to the pupil midwives. According to the Senior Surgeon's proposal, there would be no necessity to shift the A.V. School from its present habitation.

89) Mr. Chandre Gowda appreciated the difficulty of opening a Maternity School at Chickmagalur and desired that out of the aggregate donation of Rs.1,10,000 promised by him, a sum of Rs. 84,000 might be utilised for the General Hospital and the balance for opening dispensaries in Kadur District in the name of his mother. He suggested tentatively that the dispensaries might be opened at any two of the following places:-

1. Malandur.
2. Pandravalli.
3. Hirekhotlu.

He promised to visit these places and communicate his wishes definitely in October next.

90) Mr. Chandre Gowda has already paid Rs. 94,000. Setting apart Rs. 84,000 for the General Hospital, he requested that the balance of Rs. 10,000 might be treated as a separate deposit to be utilised for the purpose above mentioned when all the details are settled. This suggestion may be accepted.

91) The proposal of the Senior Surgeon to utilise the present Matron's quarters (formerly the Munsiff's Court) as quarters for the Head Nurse and Midwives, including those under training, may be approved. The Senior Surgeon may arrange for any small improvements required for the building, in consultation with the Public Works Department.

SIR,

I have the honour to submit herewith for favour of orders of Government, a representation dated the 15th instant, received from Dharmaprakasa Mr. A. Chandre Gowda, suggesting that suitable arrangements be made for the construction of the Maternity school and the new Government Middle School buildings simultaneously with the General Hospital building now under construction in view to their being completed at the same time.

2. In this connection, kind reference is invited to para 5 of G.O. No. G. 7117-26/Med. 170-26-33 dated 23rd December 1927 in which the question of constructing a separate building for the A. V. School and locating the Maternity School in the present A.V. School building or shifting this school to one or the blocks of the existing General Hospital buildings has been reserved for examination and decision in due course. It is also stated therein that the present A. V. School will continue to be held where it is, till the new Hospital buildings are ready.

SIR,

In continuation of my letter No. A.1.3939-26 dated 19th instant, submitting for favour of orders, a representation received from Dharmaprakasa Mr. Chandregowda, suggesting that suitable arrangements be made for the construction of the Maternity School and the new Government Middle School buildings simultaneously with the General Hospital buildings now under construction, I have the honor to state as follows:-

2. The capital value of the present A.V.School building (viz. old Taluk office building) is ascertained to be Rs 23,777/-. The construction of a new building for the middle school may cost at leas as much.

3. In this conncetion, I may state that the old Munsiff's Court building now set apart for the residential quarters for the Matron is found to be absolutely unsuited for residential purposes. Instead of the Government incurring a heavy expenditure on a new middle School building, there appears to exist another alternative of convert-ing the proposed Matron's quarters into the Maternity School. Accommodation for nurses under training could be easily arranged for at the rear of the building by putting up a few living rooms. A

suitable

suitable residential cottage may also be put up for the matron. I understand from the Executive Engineer that the cost of the above alterations and the Matron's quarters may not go beyond Rs. 10, 000/- which is Mr. Chandregowda's donation.

4. I may here be allowed to point out that it is very hard to find suitable building grounds in this Town for public Institutions and on this account the location of the new middle school building even if one has to be built will be a matter of some difficulty.

5. The present proposal of converting the old Munsiff's Court building into a Maternity School will have also this additional advantage that all the buildings in connection with the Maternity and Female Dispensary and the training of Midwives and nurses will be located in one and the same compound.

6. Under the above circumstances, I request that suitable orders in the matter may be passed by Government.

I have the honor to be,
Sir,

Respected Sir.

In the interest of the Public, I would like to bring the following to your kind knowledge which I trust to be of good help and at the same time, a good name to the Government, as well as to the party Concerned.

The Maternity Hospital, the Building built by the Donation of Mr. M.L. Nagappa Setty, Coffee Planter, Chikmagalur, I do not know, Why the Same has not yet been opened and many are very much anxious to have the benefit of the Same.

This Chikmagalur, the Malnad Centre require happily and immediately a fully equipped Maternity Hospital and the delay in opening is causing much disappointment to the Public, to blame the Government Officers for their indifference or in other words negligence in Completing the work.

I Come to understand very Recently that the particular building in question has been Constructed in the low level.

B1b

and for this main reason the delay for opening is due to. If this is correct, I shall be glad to report you some more following facts.

a. The building is in a very low level (in a low site much below to the side road)

b. The building has been Constructed in the Centre and heart place of the town the business Centre place

C. Meternity Hospital building must be in a lonely and Calm place where there must be good fresh air and should not be noice of any kind & no rush of people; Specially School Children & near by family houses. But this refers in ~~BH~~ PM Co-operation with the above all.

d. Next to this building, within about 15 yards there is the Motor Bus Stand and Causes good lot of unpleasants noice to the ~~in~~patients.

e. Even Steaming that the Motor-Bus-Stand be removed from the present place, As the Hospital-Building is in the Main Important-High Road, there will be d is much noice always of Cars, lorries, natural traffic and to add to these, the-

the uncontrollable galleta of School folks and quite opposite to this is the General Post & Telegraph Office.

I. Further the most important problem of good and healthy air has absconded from this place itself, the reason being, right to this Hospital building, the main Conservancy drainage goes down where the bad and Clumsy Municipal Scent is intolerable.

When such bad smell does affect it is affecting many people in the road side poor ladies of much troubles and disorders, I do not know how the Government blindfully arrange to open the Hospital, that too a Critical Maternity Hospital in this bad and worthless place.

Even ~~Of~~ now it is not too late as, but instead the same Gentlemen Mr. M.L. Nagappa Setty, who has donated Rs 25.000/- for this building, owns a building a decent vast Site (a few small quarters now) in Brabin Street, left to Mr. Advocate Shiva Rao's Quarters). ie Right Road to the Post office.

This Site, I am now mentioning you extends as far as to the "Chendru Gowda's General Hospital (now under construction). This is a big Site about twice, three times larger to this I

of good weather & air, no troubles and difficulties of any such nature.

To set these Correctly if the Honourable "Dharma Pravartaka" Mr. M. L. Nagappa Setty make up his mind to get his proposed hospital opened in the above mentioned place now lent to the Industrial School, it shall be very decent, Convenient & much healthier.

If not, the Government may easily acquire in the interest of the Public if necessary Calling for further donations from the Public.

I hope that my suggestion would be of much importance if carried in and shall be of good service to the Public and a good name to the Government of the Maharaja of Mysore, as well as to Mr. Nagappa Setty. and if not shall undoubtedly be the Contrary to the above.

SIR,

I have the honour to enclose herein a cheque No.B.355191 for Rs. 14,000/- issued by Dharmaprakasa Mr. A. Chandre Gowda on the Bank of Mysore, Ltd., by way of part payment of the balance of Rs. 30,000/- that is still due from him out of the amount of Rs. 1,10,000/- donated by him for the construction of a General Hospital Building etc., at Chikmagalur and to state as follows:-

Dharmaprakasa Mr. A. Chandre Gowda states inter alia in his letter dated 9-6-30 a copy of which also is herein enclosed for kind reference and orders, that the estimated expenditure in respect of the construction of the General Hospital Building is Rs. 34,000/-, and that in full satisfaction of the payment of this amount and also of the amount of Rs. 10,000/- subsequently donated by him and accepted by Government in their order No.G.7117-26/Med.170-26-33 dated 23-12-1927 (vide., para 9 of the said order) for the A.V. School Building to be named after him, he has now issued the cheque for Rs. 14,000/- in addition to the payment of Rs. 30,000/- he has already made.

As regards the payment of the remaining balance of Rs. 16,000/- he states that as soon as the work of repairs to the building in which the A. V. School is now located, is undertaken so as to convert it into a building suitable for the location of the proposed Maternity School, he

(1) There is no necessity for a separate Maternity School. The 2 or 3 pupil Midwives who would be under practical training every year may be accommodated along with the matron and some midwives in the existing Matron's quarters (formerly Munsiff's Court), which may also be utilised for giving lessons to the pupil midwives.

(2) There would be no necessity to shift the A.V. School from its present habitation.

(3) Out of the sum of Rs. 94,000/- paid by Mr. Chandre Gowda, Rs. 84,000/- to be utilised for the General Hospital and the balance of Rs. 10,000/- together with the donation of Rs. 16,000/- still due out of the promised donation of Rs. 1,10,000, to be set apart for opening 2 new Dispenseries in certain places in the Kadur District which will be definitely proposed by Mr. Chandre Gowda before October next.

Permit me even at the risk of being considered a bit unfortunate to remind you regarding the erection of the Maternity lying in ward. I see that a considerable quantity of materials have been collected by the contractor, and I learn the Executive Engineer is awaiting Government sanction for taking the work on hand, The General Hospital Buildings are fast nearing completion. I fear whether it will be at all possible to complete the construction of the Maternity ward as per recent plan, in order to have the building ready for being opened along with the opening of the General Hospital.

I trust you will so expedite matters as to obtain Government sanction before the Dewan Saheb leaves for England, so that the building might be ready by the time he returns.

Trusting that this finds you in sound health.
